

Power Units – AC Type

- Robust, short circuit protection, long life transformer
- Up to 4 antistatic equipment connection
- Compact design

Technical Information

Product	SE-PAC-55-2-C	SE-PAC-55-4-C	SE-PAC-80-2-C	SE-PAC-80-4-C
Product Image				
Output Voltage	5.5kV	5.5kV	8kV	8kV
Number of Outputs	2	4	2	4
Power Supply	220VAC 50hZ			
Panel	On/off switch, power light, power connector			
Environment	50 °C maximum temperature, 70 % rH non-condensing max. Location should be dry and oil-free. IP54.			
Safety	Short circuit protection			
Standards	2014/30/EU EMC Directive			
	2014/35/EU Low Voltage Directive
